General Information

Registration and Information

The most efficient way of registering is online at www.energyoutwest.org. By registering online, you will see which tutorials still have space available with the opportunity to be placed on a waiting list. You can also choose an alternative method of registration. If you prefer to complete a hard copy registration, please detail the registration forms on this brochure and mail to:

Washington State University
P.O. Box 64522, Pullman, WA 99164-6422

Please indicate on the form your-day and evening meal preferences. Please note that accommodations for individuals who qualify under the Americans with Disabilities Act (ADA) will be issued. Substitutions are welcome at any time. No-shows are responsible for the full registration fee.

Hotel Accommodations

The conference organizers reserve the right to make changes to programs or speakers and to cancel programs if enrollment criteria are not met. If the program is cancelled, the registration fee will be refunded, minus a $100 processing charge. After April 20, refunds will not be issued.

Written cancellations (sent to EOW@wsu.edu) received by April 20, 2018 will be refunded, minus a $100 processing charge. After April 20, refunds will not be issued.

Special Accommodations (Americans with Disabilities Act) Accommodations for individuals who qualify under the ADA are available upon request by emailing EOW@wsu.edu by April 21, 2018.

Program Changes and Cancellation Policy

The conference organizers reserve the right to make changes to programs or speakers and to cancel programs if enrollment criteria are not met. If the program is cancelled, the registration fee will be refunded, minus a $100 processing charge. After April 20, refunds will not be issued.

Written cancellations (sent to EOW@wsu.edu) received by April 20, 2018 will be refunded, minus a $100 processing charge. After April 20, refunds will not be issued. Substitutions are welcome at any time. No-shows are responsible for the full registration fee.
Pre-Conference Tutorials
Monday & Tuesday

Monday and Tuesday offer hands-on and in-depth tutorials which are often used as one of the highlights of the Energy OutWest Conference. The tutorials fill up quickly with registration open as far in advance as possible. You can find course descriptions on the program detail page of the Energy OutWest website.

Reception & Weatherization Competition
Wednesday, 6:00 – 8:00 p.m.

We continue to offer the party for your facility to show up and mix with the highly revered Energy OutWest Weatherization Competition. We bring our teams in from different states to collide with each other and comparison is an excellent way to learn and grow your skills. As always, there will be a cash bar to toast the successes and the winners will be honored with a fun tradition of awards.

Reception & Jam Session
Thursday, 6:00 – 10:00 p.m.

The last evening of the conference is full of music, food, and fun as you are invited to our annual Energy OutWest Jam Session. The evening begins with a reception, then moves to open jamming (compliments of our sponsors). We will conclude with a jam session which features some of the best talent as well as an weatherization professionals singing along to songs they identify with in their own personal lives. We hope you have fun and enjoy the evening as much as we will.

Exhibit Hall

In another Energy OutWest tradition, outstanding achievements will be recognized throughout the conference. To add to the fun, door prizes will be given out during the exhibit hall.
